DISCUSSION AND COMMENTS:

1. Subsequent to a brief discussion, the Committee approved to move forward to donate the Fire Department's aluminum John Boat to the Elmhurst Park District.
2. Subsequent to a brief discussion, the Committee signed the report.
3. Spiroff addressed the Committee regarding three (3) draft cable and video competition ordinances for AT & T Project Lightspeed. Subsequent to the discussion, the Committee directed staff to report on all Comcast service increases over the past two (2) years for review.
4. Chief Neubauer provided the Committee with five (5) City Vehicle license designs for 2008. Subsequent to review, the Committee chose design #2. It reads:

Please Slow Down!

25 MPH

This is someone's neighborhood!

- b) Chief Kopp addressed the Committee regarding an update on the noise study for the Union Pacific Railroad. A proposal has been sent back to Dr. Beiter authorizing the study. The study may begin as soon as next week. Per Mr. Rosenberg's request, Chief Kopp provided them with a copy of his email address.

The Committee was adjourned at 8:25 p.m.
