

Elmhurst Metra Station Design Ideas

Share your input!

Elmhurst is looking for your preferences on the architectural characteristics and features of the proposed new Metra station. Elmhurst will use this information to develop future design options for the new station.

2 Ways to Participate

Join Us!

Virtual Public Information Meeting
February 18, 6:00 – 7:00 pm

Staff will share project information and guide participants through a virtual meeting platform.

Go to elmhurst.org/metrastation for meeting details and to participate.

The meeting will be recorded and available on the website on Friday, February 19 for those unable to attend.

Take the Survey!

Take a scroll through the survey to share your preferences on the look and feel for the station and key features like landscaping and bike parking.
